

The screenshot shows a blog post on NameTalent.com. The header includes the site logo and navigation menus. The main content features a video player for an interview with Alan Sullivan at NamesCon 2015. Below the video, there is a text-based recap of the event, mentioning a masterclass by TLDRegistry and a domain purchase by Adam Dicker. The post concludes with a 'Leave a Reply' form containing fields for Name, Mail, Website, and a CAPTCHA code, along with a 'Submit Comment' button. The footer contains copyright information for NameTalent.com and a link to their Terms of Service and Privacy Policy.

- 很高兴在这一届的NamesCon域名年会上见到老朋友, 结实新伙伴。
- 我认为本届年会上最有价值最有趣的演讲是由域通联达举办的“中文域名投资大师班”课程。
- 另外一个令我印象深刻的场景则是当Adam Dicker从与会者手中买下BackAdjustments.com的过程。
